Naming of school uniform.

All articles must be marked with name tapes. These should include initials and surname.

Hair and Jewellery

Hair longer than shoulder length should be tied back at all times and only navy blue hair accessories worn.

The only jewellery that may be worn with school uniform is a discreet token of religious observance like a simple cross and chain. Earrings are only to be worn on days where there is no PE, sport or swimming and it is advised not to have a child's ears pierced during term time to ensure earrings can be removed when required at school. Only a small plain silver/gold stud earring in the ear lobe is permissible.

Additional notes

Simple, inexpensive watches, with no internet connectivity or camera function, are allowed. We would recommend an analogue style watch, all watches must be clearly named

Nail varnish is not permitted

Musical instrument cases should be marked inside and out.

Valuable articles should not be brought to school and no mobile phones or electronic items, including smart watches with internet connectivity are permitted.

The school accepts no responsibility for unmarked property.
